Mayes Testing Engineers, Inc. Promotes Beorn Edmonds and Yavita Kotomaimoce to Project Managers

Lynnwood, WA – July 23, 2007 - Mayes Testing Engineers, Inc. (MTE) recently promoted inspectors, Beorn Edmonds and Yavita Kotomaimoce, to Project Manager.

Mr. Edmonds has been with MTE for 8 years. He holds many WABO licenses and earned his BS in Industrial Technology from Western Washington University. His recent projects include Rollin Street Lofts, Tacoma School District's Gray Middle School and Lincoln High School, Muckleshoot Casino Expansion, Seattle Cancer Care Allianc and Redmond City Hall.

Mr. Kotomaimoce has been with MTE for 7 years. He holds many WABO licenses and has extensive concrete and masonry experience. His recent projects include Residence Inn By Marriott, Evergreen Hospital Gateway Center, Seattle Command Center Fire Station 10, Western & Clay Condominiums, Evergreen Hospital Emergency Department & Inpatient Facility and 2200 Westlake.

Their proven leadership and management skills will be a great addition to the project management team. In their new roles, they will provide project management and supervise on-site inspections.

MTE is a full-service testing and inspection agency. The company has grown from a 15- employee operation when MTE President Michael Mayes first acquired it in 1991, to over 100 employees today. The growing company has made it its business to ensure that the buildings it inspects go up, and stay up. "We inspect all the construction components, from the concrete to the welding to the masonry to the soil," says Mayes.
